Mrs. Bean Speaks To Women

Interesting Program at Community Club Meeting

Notices of Mrs. George Bean's talk on Current Events brought out the usual large crowd to the Community Club meeting on Tuesday, April 15th. During the business meeting, before the talk, many things of interest were presented to the members for thought or action.

The President announced a concert to be given by the Cynwyd Club for the benefit of its building fund.

On Wednesday evening, April 23rd, a card party, for the benefit of the Welfare Fund, will be held at the home of Mrs. Gill, Dudley Ave.

Some time early in May the Hospitality Committee will have a card party, the proceeds of which will go toward buying silver for the Club.

Members were reminded of the Junior Play, "The Charm School," to be given May 2nd, at 8 P. M.

The Senior Dramatic Section is also to give a play on the evening of May 7th. Part of the proceeds will go to the Welfare Fund.

The President of the Board of Directors, Mrs. Sibley, gave a report of the two dinners given last week, and expressed thanks to the members for their help.

Mrs. Sibley then read the appointment of a nominating committee for new Directors: Mrs. Jacobs, Mrs. Haist and Mrs. Jos. Miller. The election of Directors will be held May 13th.

Election of Club officers will be held on April 29th—the next meeting date.

The Treasurer, Mrs. Cockrill, gave a very complete and comprehensive report of the various expenses of the Club, and reduced those figures to the cost per member for all activities. In so doing, Mrs. Cockrill showed clearly that it is vitally necessary for the treasury to be enlarged, that ordinary running expenses may be met.

To that effect, the Secretary, Mrs. Fenno, read two amendments to the by-laws, (sanctioned by members of the Executive Board), increasing the dues and initiation fee. Club members were urged to consider the question, and to be prepared for discussion and decision at the next meeting.

A letter from Mr. Butler was read. It was an invitation to all interested in the new Community House, to come to the second conference of the Committee on Thursday evening, April 24th, at 8 o'clock.

The final announcement "brought down the house." Mrs. Douglas promised "an eye full"—yes, her very words—to those who attend the basketball game between the Seniors and Juniors, in the Y. M. C. A. gym next Tuesday evening, at 8:30 o'clock. The "eye full" is to cost the modest sum of 25 cents. (Can't you imagine the fun? Please do not present flowers! After that long list of announcements, and the exhibition of the varicolored tickets for all the different coming events, the audience heaved a sigh, and settled down to hear Mrs. Bean present the subject of the "Effects of the Washington Investigation of the Teapot Dome Scandal."

FREE LECTURE ON CHRISTIAN SCIENCE

On Sunday afternoon, April 20th, at 3:50 o'clock, there will be delivered in the Ardmore Theatre, Lancaster Avenue, Ardmore, Pa., a free lecture on Christian Science, by Mr. William W. Porter, C. S. B., of New York City, a member of the Board of Lectureship of the Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

Those who are not familiar with Christian Science will have, that afternoon, an opportunity to have explained to them how Christian Science helps all who are in need today of something that holds out to them a hope of peace.

Christian Science has helped and is helping thousands to find health and happiness, and the message which Mr. Porter brings will give all who hear it, an opportunity to prove for themselves what an understanding of Christian Science will do for them.

This lecture is the sixth lecture on this subject to be given in Ardmore under the auspices of the local Christian Science Church, and the public has proved its interest by the large attendance on each occasion.

A cordial invitation to be present at this lecture is extended to all.

Walzer is Elected Manager

To Lead Baseball Team In 1924 Season

Fred Walzer was elected Manager of the Narberth baseball team at a meeting in Mr. Robert J. Nash's office last Monday night. Wilmer G. Crowell, manager for the past two years, requested that his name be not presented for consideration this year, and the election of Mr. Walzer was made unanimous.

Mr. Nash declined to run for the office of President for another term. J. J. Cabrey and Fletcher W. Stites were nominated, the latter by Mr. Cabrey. After considerable discussion, in which regret was expressed that both these leaders of local baseball could not hold the post, Mr. Stites was elected President and Mr. Cabrey Vice President, with the understanding that if Mr. Stites is unable to assume the responsibility, the positions will be reversed. The matter is still open.

Two other vice-presidents were elected, Messrs. Robert J. Nash and John A. Miller. C. E. Harnden was unanimously chosen to succeed himself as Treasurer. He has handled that difficult and rather thankless job with conspicuous success. Robert Compton was elected Assistant Treasurer.

In choosing a business manager, a post made vacant by the death of Samuel Wisler, a problem similar to that of President was presented. The two names put up were those of Harry Hollar, of basketball fame, and Charles F. Haist. As the job is big enough to keep two men busy, Mr. Hollar was elected, and Mr. Haist offered his help as Assistant Business Manager.

As Mr. Nash was obliged to leave early, Mr. Cabrey took the chair, and plans were discussed for the use of the new playground field. A diamond will be laid out shortly, and committees were appointed to look into ways and means of getting sufficient grandstand space for the temporary use of this year's spectators.

It was voted that Narberth enter the Main Line League, and a membership campaign will be started at once to raise the money necessary for the \$125 guarantee which must be deposited by May 17th. Donation books will also be issued to purchase new uniforms.

COUNCIL MEETS

Extensive reports on two big community problems were presented to Council at their meeting Monday night. The Zoning Commission presented an exhaustive report, and a sample ordinance, which will be taken up by Council. The entire membership of Council will meet shortly with the Commission to go over the ordinance.

Following this conference a public hearing will be held, to give the residents an opportunity to express their views.

The Committee in charge of the projected Community Building on the playground presented a report of their plans, which are to be announced at the public meeting next week.

President Hall, whose business has compelled his absence from Council for several meetings, was again on duty Monday night.

Residents of Conway Avenue have petitioned Council to dump ashes on the bed of that street, which is practically impassable. The Highway Committee, however, is not inclined to grant the request, feeling that no temporary measures will correct the evil. One of the members of Council, in commenting on this, said, "It is up to these property owners to get together and finance the street paving. Council is ready to go ahead with permanent paving, as soon as provision is made to pay the contractor."

There are several stretches of road in Narberth in bad condition this spring, work on which has been held up by the failure of the adjoining property owners to provide for payment of the paving.

SMOKER

The entertainment committee of the Holy Name Society of St. Margaret's Church are going to give another smoker on Tuesday, April 29, in the Church Hall. This will be the second of a series of entertainments given by the members this year.

The Hon. Joseph Gaffney is expected to be on hand to give one of his noted speeches. There is also going to be a first class musical program.

School Notes

The Ninth Grade Latin class are preparing a play called "A Roman School," which will be presented to the school next week. Everything will be spoken in Latin, but by the acting, it is hoped that the school will be able to understand it to a certain extent and will at least take an interest in Latin. Some of the nursery rhymes will be recited in a combination of Latin and English, and these are sure to prove most amusing.

The boys' baseball team is going to play Montgomery Day School on Friday, April 25th, at home. Everybody is expecting a good game, as our boys have had very good practice.

The boys and girls are very glad that their Easter vacation is here. They leave school on Wednesday afternoon and come back Tuesday morning.

William Miller, of the Eighth Grade, gave a very enjoyable illustrated lecture on his travels last year in Italy, on Wednesday, 16th. This was greatly appreciated by the Junior High School. Editors, Kitty Adams and Cynthia Metzger.

GOOD MUSIC

At last the Entertainment Committee of the Tennis Club have been successful in obtaining for the next Club Dance, Saturday, April 26th, that famous Inter-Fraternity Five orchestra, the same artists that have played on the U. of P. campus the past three years. To those who really appreciate real honest to goodness, up-to-the-minute music, this is the best of news. This next party is next to the last of the season, and on the 27th, we will be able to quote in part that famous verse "and a goodly crowd was there." A most unique scheme of decorations are planned, and the new piano, "the grand," will be installed in the hall for this orchestra. As in the past, friends are invited and those wishing to procure additional tickets may do so by calling on Doc Howard or telephone Narberth 1772.

Come and shake a foot to the music that makes 'em shake, even though they "haven't danced in forty years."

DANCING CLASS TO HOLD EXHIBITION

Saturday, May third, marks the closing of another successful year of the children's dancing class under the direction of the Women's Community Club. It is planned to hold an exhibition on that day of the work the children have been doing during the year. This affair which will be held in the Club rooms of the Y. M. C. A. is open to all. An admission fee of twenty-five cents will be charged. From all reports so far it will be well worth while to see some of the splendid dancing the children can do. Watch for further report in "Our Town," and remember the date, Saturday, May 3rd.

Have you noticed the excitement in the faces of some of the members, both Junior and Senior, of the Women's Community Club. It is time to let the secret out. The members of the "Daily Dozen" or Gymnasium class have challenged the Juniors to a basketball game which will be held next Tuesday evening, April 22nd, in the gymnasium of the Y. M. C. A. The admission charge will be twenty-five cents for adults and fifteen cents for children—though some have been overheard to say that it will be worth quite all of a dollar each to see the game and cheap at half the price. Don't miss what promises to be one of the best affairs of the year. Your money's worth guaranteed. Don't forget the date—next Tuesday evening, April 22. All your friends will be there. Why not you?

Juniors Announce Building Plans to Be Presented

Former President Leaves Victrola to Club

The cast of characters of "The Charm School," which is to be presented to the people of Narberth on two successive nights, May 2nd and 3rd, by the leading talent of the Junior Section of the Narberth Women's Community Club, is printed below.

This is a sparkling, entertaining and highly amusing comedy over which countless readers and movie fans have heretofore laughed with aching sides and which no Narberth citizen can afford to miss.

The plot has to do with the adventures of Mr. Austin Bevan, played by Miss Ella Dothard, who finds himself through an uncle's will the owner of a fashionable girl's school, and possessor, of his own accord, of novel and entertaining ideas as to the proper management of such an institution. His adventures with the "flappers" attending his school and the female dragon who is its principal, constitute an hilarious three acts, and there is, of course, the cleverly added touch of romance without which no "first night" would be content.

The performances, which are scheduled to begin at 8.30, on the evenings of May 2nd and 3rd, will be followed by dancing on both nights. Admission is seventy-five cents, and tickets may be purchased from any Junior. No seats are reserved.

A Welcome Gift

The Juniors were ever in the thoughts of Mrs. Dorothy Vernon Smith, former President, who passed away only recently. Even in her last illness she remembered them, and this remembrance took practical form in the gift to the Club of a Victrola. This was presented to the club under Mrs. Smith's directions, by Mrs. Duke Bowker, her mother.

The Juniors prize this gift very highly, not only because it fills a long felt need, but because it is proof of the affection Mrs. Smith had for "her girls." The Club hopes it will not be long before a club room can be secured for its proper housing.

All Juniors are urged to make a special effort to attend the next regular meeting, Thursday evening, April 24th, place to be announced later.

Mrs. Barker, State Chairman of the Junior Sections of Women's Clubs, will speak on matters of particular interest to the club, and therefore no one can afford to be absent.

It is quite an honor for a young club to entertain such a distinguished visitor, and Miss Florence Haaf, our President, is to be congratulated for her success in inducing Miss Barker to speak before us.

Mr. and Mrs. C. M. McCracken and their children, of Merion avenue, are spending Easter week in Indiana County, Pa.

Miss Margaret J. Armour, of Rockland avenue, is in Bryn Mawr Hospital convalescing from her recent serious illness.

Public Meeting on Community Center Project

Meeting of unusual interest and of vital importance to the Community will be the second general Conference on Community Center called to be held in the Y. M. C. A. Building on next Thursday evening, April 24th, at 8.00 P. M.

This subject was considered at a conference held about two months ago at which time the fast growing need of a suitable Community Building was brought pointedly to the fore. That Conference instructed the appointment of a Committee to study the situation and make further report, and this report is now ready for presentation. The Committee, the personnel of which is indicated in the appended call for the second meeting, will be seen to be a well rounded and capable Committee of public spirited citizens and the result which they plan to make is exhaustive and comprehensive.

While the first Conference was confined to accredited representatives of Narberth organizations, this second Conference, unlike it, will be open to any one interested. The subject is of such vital importance that the General Committee felt the meeting should be opened to all who cared to participate and an invitation is extended to any one interested.

The call for this second Conference which has been issued by General Chairman Butler is quoted below:

At a general Town Conference held February 28th, there were present fifty-five delegates representing twenty-six organizations, met to consider ways and means for developing a Community Center, particularly a building to serve as a substitute for the Y. M. C. A. building which has been sold.

By resolution adopted at this conference the Chairman was directed to appoint a committee of ten, of which he should be the Chairman, to study all elements involved in such a proposal and to report at a subsequent meeting.

Pursuant to this resolution a Committee was appointed, consisting of Victor D. Abel, J. J. Cabrey, Henry A. Frye, E. O. Griswold, C. H. McCarter, Carl B. Metzger, Robt. J. Nash, Mrs. A. B. Ross, W. D. Smedley and T. Noel Butler, chairman, and this Committee, having duly considered the matter, is now ready to make its report.

Please therefore be advised that a second Conference is hereby called to be held in the Y. M. C. A. Community Room, Thursday, April 24th, 1924, at 8.00 P. M.

All Organizations are respectfully requested to be officially represented by three delegates.

In addition, and because of the importance of the subject to be discussed, this will be an open meeting and ALL INTERESTED CITIZENS are hereby extended an invitation to be present and to participate in the deliberations. Will those receiving this notice please make this known as widely as possible.

It is felt that the report to be presented will be of vital interest to the whole of Narberth.

NARBERTH CONFERENCE ON COMMUNITY CENTER,
T. Noel Butler,
General Chairman.

AGAIN NARBERTH HIGH CARRIES FAME

The members of the Junior Class basketball team of West Chester State Normal School were recently awarded the coveted letter "W" for having won the championship of the school, in addition to the hockey championship.

It is interesting to find among the names comprising this team, two of the students graduating from Narberth High. They are Miss Mabel Kirkpatrick and Miss Dorothy Bottoms. They are to be congratulated on their success which likewise reflects much credit upon the training received at the Narberth School.

PLAY AT SETTLEMENT

In pursuance of its ideal as a community organization established to promote the appreciation of good music, the Choral Society journeyed to Kensington last Saturday night and repeated its recent concert program. The occasion was the concluding concert of the season at "The Lighthouse," a center for settlement work in the industrial district of Philadelphia. A large and attentive audience greeted the singers, who quickly caught the spirit of the occasion and proceeded to outdo their performance of the previous week. If the expressions of appreciation heard on all sides are any guide, the members have good justification for having given up an entire evening on such short notice. Both Mr. and Mrs. Bentz again showed their fine spirit of co-operation by their valued assistance.

And such spirit is catching. At the rehearsal on Monday night everyone showed their enthusiasm by the whole-hearted way they entered into the work, and many remarked that it was the "best ever." Particular interest was manifested in the announcement that there had been seven applications for active membership as a result of the success of the concert program at Ardmore. These people were directed to Mr. Bentz for a try-out, and any others who care to do the same will be welcomed. They should communicate with any of the officers or introduce themselves at the next rehearsal, to be held on April 28th.

Many good friends of the Choral were disappointed at being prevented from attending the Ardmore concert by the weather. For their benefit, as well as to further the ideal of community service, the society will provide the music at the celebration of the 200th anniversary of the Fairview Sunday School, on May 18th. As this place is only a short distance out in the country, it is hoped that many can attend.

Instead of a rehearsal on April 21st, a special meeting of the Board of Directors has been called to meet at the home of Mrs. J. G. Foote, 228 North Narberth avenue, at which plans will be formulated for the next concert. It is expected that this will be given as an open air affair right in Narberth about the middle of June.

The following members took part:

Mrs. W. P. Bentz, Mrs. H. M. Chalfont, Mrs. A. Crosley, Mrs. Robert Compton, Miss Anne Geyer, Mrs. H. C. Keim, Miss Elizabeth Keiran, Mrs. Paul R. Loos, Mrs. L. Parker Miller, Miss Florentina Mueller, Miss Mary McFall, Miss Florence Peirce, Mrs. Charles H. Shaw, Mrs. L. H. Trotter, Mrs. Etta Walker, Miss Alice Wilson.

ALUMNI EMBARRASSED

The Alumni Association of the Lower Merion High School is very grateful for the support it was given in its concert last Friday night, when the Main Line Orchestra played in the new Junior High School, for the benefit of the Memorial Scholarship Fund, which is being raised by the Alumni Association.

The committee in charge of the concert feels that it owes the public an apology for certain needless inconveniences caused by the absence of lights in the hallways, and by the large doors between the stage and the gymnasium being closed so that it was impossible to watch the dancing from the comfortable seats in the auditorium. If any of these petty annoyances could have been foreseen, the concert would have been held elsewhere, but it was a case of learning by experience, and since this was the first concert and dance in the new school, all the peculiar roles and regulations of the building could not be known without this bitter experience.

When the janitor of the building was asked to light the hallways leading to the gymnasium, he said it was against the rules, and when the large doors between the gymnasium and stage were about to be opened by members of the committee, it was found that this was also against the rules. As yet no satisfactory explanation has been given for these seemingly absurd regulations and all the Alumni Association can do now is, apologize to the people who so kindly came to their concert to help the Memorial Scholarship Fund, for the inhospitable manner in which they were treated.

All tickets have not yet been turned in, so it is impossible to tell definitely how much was made, but the preliminary count, indicates that it will be between \$250.00 and \$300.00.

W. H. Shupert,

President of L. M. H. S. Alumni Association.

WEALTHY MOTORIST TO LOSE AUTO LICENSE

Judge Solly Severely Criticizes May in Sending Him to Jail for Two Months

In sentencing William May, of Merion, and a former Narberth resident, to two months' imprisonment Monday, Judge Solly severely criticized him for his action in driving a car while intoxicated and served warning that all manner of persons will be severely dealt with if brought before his court on similar charges.

"The citizens of this county and of all other counties must feel that it is within the power of the court to see that the highways are made safe from such persons as you," said Judge Solly. "The law makes no difference in persons. Every man gets a fair trial. We pay no respect at all to whether a defendant is high or low, rich or poor; no matter what his position may be, he gets a fair trial, and the judge will see to it that he is properly punished."

After pronouncing sentence, the court ordered the clerk to certify the sentence to the State Highway Department, where action will be taken to withdraw May's license to drive a car. May was arrested on Lancaster pike last November, after his car had dashed from the road, described a couple of fancy evolutions and ended up against a pole. The police deemed him drunk and kept him in the police station all night.

Friends of the family, called as witnesses testified that they were surprised to hear that William touched liquor. One of these was Dr. Edward B. Finck, of Philadelphia, the May physician, who declared that he attempted on two occasions to administer whiskey as medicine, and May refused to take it "unless it was absolutely necessary."

Judge Solly looked at the witness in surprise.

"Better stop that," admonished the court. "That doesn't make any impression on me. Why, the man went on the stand and admitted that he drank."

May himself testified that on the night he was arrested he was at the Ritz-Carlton, in Philadelphia, and had two gin rickeys. Then he went to the Bellevue-Stratford and had another. He denied he was drunk. He said he came out to Merion, and just as he was about to enter his home, decided to go to Ardmore for a "hot dog."

"That's different from what I would do if I wanted a sandwich," remarked Judge Solly. "If I was right at home, I'd get it there."

"But I wanted a hot dog, and we didn't have any at home," replied May.

Driving with One Hand

On the way back home, May said he was holding the sandwich in his right hand and was driving his high powered Rolls Royce with the left. Another car approached, blinding him with its lights, and he reached over to turn off his own lights. The car swerved into a ditch, and as it did so he applied more power to get it out. But the machine did not gain the road, and hit the pole.

May said he sustained a dislocated shoulder and a sprained back.

He admitted that he had been arrested twice before. Once, he said, was on a charge of speeding, and another time for disorderly conduct at Rosemont station. "We were supposed to be drunk then," he said.

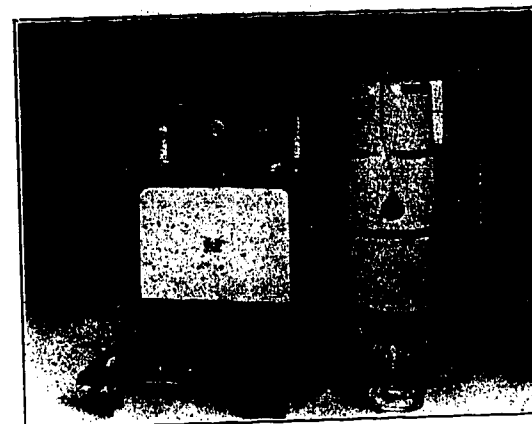

Several other character witnesses expressed surprise that the young man had been drinking. Harry B. Stewart, of Philadelphia, declared that he always knew May as a sober boy, and saw him often refuse to drink. Then Stewart declared that "for a man of his station in life, with money and social position, his character was very good."

Lieutenant Mullen, of the Lower Merion police, took the stand to testify that a physician examined May after the accident, and found no injuries, as the defendant described. He also said that May's reputation for sobriety was not very good around his home community.

In his appeal to the court, Abram H. Hendricks, May's counsel, declared that the boy was "unfortunate enough to inherit a large amount of money. So much money that he could indulge his slightest whim. Among these was a high powered and a high priced car."

Then he described how he had taken the drinks, but was not drunk.

Competition

A wise old sage some two thousand years ago said, "competition is the life of trade." To us it is more than that.

We accept competition as an evidence that we have something the other fellow is willing to fight for. It's inspiring; it keeps us on the jump and makes the game of building a business, a pleasure, rather than a grind.

Baseler Harp Ensemble

These ten artists, led by a Main Line woman, Mrs. Dorothy Johnstone Baseler, will appear at St. Matthias' Hall, Cynwyd, on Monday, April 28th.

HEARD FROM THE SIDE LINES

All men are equal—married ones.

They say — smokes in the cellar and bath room. Who said she?

Just why does that auto stop any where from one to three in the morning to let her out at Merion and Essex. She don't live at 201.

Some early cave man mechanic took one of Adam's spare parts and made a loud speaker out of it. Please stand by.

Safety in numbers—some birds wear two watches—wrist and vest.

The membership of the "I Will I Won't Bob My Hair Club" is ever changing. It now consists of Doc's Wife (tottering); Kathryn the Great (three eyes to seven noses); the Startled Fawn (decision up to husband); Mary, and only two of the "Broadcasters." Also the two timid janes ("I will if you will.")

When it ain't bobbed they wish it was, and when it is they wished it wasn't. Why not braid a third, shave a third, and shingle the rest.

If your interest in the Entertainment Committee's activity only reaches to the neck—it don't help; must reach to the pocket.

Whatever could she have been thinking of to go and do that?

Baseler Harp Ensemble to Play in Cynwyd

A concert of unusual interest and merit will be presented on Monday, April 28th, in St. Matthias' Hall, Cynwyd, by Dorothy Johnstone Baseler and her harp ensemble, assisted by Nicola Thomas, violinist, and Frank Oglesby, tenor, with Ray Daniels Jones, accompanist.

The Harp Ensemble is composed of Anne Ashton, Elizabeth Cashman, Stella Marie Carvin, Dorothea Fox, Phyllis Hollnake, Frances Lane, Florence Kenworthy, Kathryn Springer, Jean Newbourg Littleton and Violet Marie Terrill.

The Main Line is well represented among these musicians, four of the number, including the Director, Dorothy Johnstone Baseler, Dorothea Fox, Frances Lane and Jean Newbourg Littleton, residing in Cynwyd, Anne Ashton in Wynnewood, Elizabeth Cashman in Narberth, and Florence Kenworthy in Wynnewood.

This Harp Ensemble occupies an important place in Philadelphia musical circles, and its distinction has not been confined only to Phila., for this group of selected harpists has appeared with the Mozart Choral Society of Wilkes-Barre, the Choral Society of Haddonfield, and at a musicale in Lancaster. It has played before prominent societies, including the Philadelphia Forum, and at many private musicales, in the home of Mrs. Edward Stotesbury, in the conservatory of Pierre du Pont at Wilmington, at Chestnut Hill, and other well known suburban residences.

Nicola Thomas, formerly of New York, but now of Philadelphia, ranks among the leading violinists of the country. She is an American and studied with Leopold Auer when living in Russia. She has appeared on programs with the greatest artists—Caruso, Matzenauer, Martinelli, and many others. She plays with a superb tone, and her musicianship is of the highest order. Her artistry is sure to delight every one.

Frank Oglesby is well known and is very popular. He introduces a program of peculiar charm, and his splendid tenor voice and engaging personality are equally effective in songs of his own composition and accompaniment. In his second group of songs he will accompany himself.

The Community Choral, in arranging this attractive program, is offering Bala-Cynwyd a concert of superior grade, and an opportunity which no body should neglect.

The proceeds are for the building fund of the Memorial Library.

BOARD APPROVES INNOCULATION

Final arrangements for the inoculation of school children of the Township with toxin-antitoxin as a preventative of diphtheria, was made at the April meeting of the Lower Merion Township Board of Health held in Ardmore last Thursday evening.

The inoculation of the children is being done with the co-operation of the Board of Education. Health officers of the Board began the treatments in the schools this week. The children of the Merion Gardens School have already been inoculated.

Superintendent S. E. Downs gave his monthly report. Following that most of the time was spent in approving of teachers' contracts for next year.

SLIGHT INCREASE IN MUMPS

A slight increase in Mumps, which was believed to be on the wane last week, is reported this week by Dr. Marvin E. Reynolds, Health Officer, of the Lower Merion Township Board of Health, in his report for the week ending April 12. There is no cause for alarm, however, as there are only 14 new cases in the entire Township.

How can the folks of Narberth assist in this, the best work in the world? Why, by just putting aside your rummage when you clean house, and if you will just phone Narberth 368-R or Narberth 1652-R, we will only be too glad to call for it. The sale will be held in Phila. on May 25th.

GOLFERS TO OPEN SEASON

The Bala Golf Club, at City and Belmont avenues, will give a dinner-dance Saturday evening, May 3, to officially open its 1924 season. The change of the club course from a nine-hole to an eighteen-hole course, the completion of a new \$6000 automobile driveway to Belmont avenue and numerous other improvements will be celebrated at the same time.

PLANNING MAY DAY FETE

May Day at Bryn Mawr College this year will take the form of an Elizabethan festival on May 9 and 10 on the college grounds with 450 students taking part in plays, dances, pageants and masques under the production of Mrs. Otis Skinner.

The usual observance of May Day at the suburban college is confined to May pole dances, singing and the crowning of the queen. Since 1902 an elaborate celebration has been held each year. The last one, in 1923, was held in conjunction with the campaign for \$2,000,000 to endow the college. This year the proceeds will be applied to a fund to endow the music department of the college and to provide an auditorium for the students building.

Students are spending every spare moment rehearsing for the pageant, plays and other features, for every student, graduate and undergraduate, has some part in the festival. The spectacle has drawn thousands of persons from all parts of the country to the college every four years and it was announced yesterday that special trains had been arranged from New York, Boston, Pittsburgh and Washington.

An executive committee headed by Mr. Marion Edwards Park, president of the college has charge of the May Day program.

This program, according to the bulletin issued by the college recently, will begin with an Elizabethan pageant, followed by a Maypole dance. In the pageant will ride "Queen Elizabeth" and the Queen of the May and their courts. A pair of milk-white oxen will haul the Maypole over the green.

Five old English plays and two masques will be given under the direction of Professor Samuel Arthur King, head of the Department of Education. The plays include Robin Hood, as played in 1597, The Old Wives' Tale, by George Peele, "printed in London, 1595;" "Campaspe," played in 1584, "The Play of Saint George," showing, according to the program, how "St. George slew the Dragon, a Wild Worm;" "A Midsummer Night's Dream." In addition "The Four P's," a play of 1547, will be given by the alumnae.

The masques are "The Masque of Flowers," as performed in 1614, and "The Lady of the May," by Sir Philip Sidney.

In addition to the plays and masques there will be many dances illustrating a typical Elizabethan May Day. These include the May Pole dances in which 500 persons will take part, a dance of the milkmaids, a dance of the chimney sweeps, old English country dances and morris dances hitherto performed only by men. The "director of the green" will be Miss Constance M. K. Applebee, physical director at the college.

The executive committee, besides Dr. Park, consists of Mrs. Skinner, Professor King, Miss Applebee, Mrs. Caroline Morrow Chadwick Collins, Manager, and Miss Eloise Requin and Miss Pamela Coyne, student representatives.

TOWNSHIP CLEAN-UP

May 5th to 10th the Dates Selected
Preparations for the annual Clean-Up and Paint-Up Week in the Township, which this year has been designated as the week of May 5 to 10th inclusive, are now being made by Township officials and civic organizations. The Township Commission is much interested in the success of the week.

President William A. L. Barker, of the Commission, in announcing the dates for the spring clean-up days, said:

"A thorough overhauling of attics, cellars, and back yards should be made by our citizens, and all rubbish, tin cans, and waste material of every kind should be collected and placed in receptacles on the sidewalk. This rubbish will be collected and hauled away at the expense of the Township.

"This is an opportunity for every citizen not only to show his personal pride, but also his civic pride, and we should all endeavor to make it such. No community is attractive if it is littered up.

"All should be willing to co-operate. Let us all work together to clean up and paint up during the first week in May, and then keep it that way throughout the entire year.

"The result will be a cleaner, healthier, happier and more attractive community."

MILK CONTROL PRAISED

In a recent issue of the Listening Post, the official publication of the Pennsylvania Department of Health, is published a two page extract from the annual report of the Lower Merion Township Board of Health. The extract is prefaced by the statement "The Board of Health of Lower Merion Township rendered a most excellent detailed report of its health activities during the year 1923." One page of the extract was devoted to the Board's activity in Milk control, which seems to be attracting attention throughout the State. Narberth participates in this feature.

Economies

In order to cut the high costs of new telephone equipment we have introduced many labor-saving devices. In every department of our business there are new machines, new practices, improved methods—all introduced to keep telephone rates down.

Were it not for the improvements in the telephone art in the past few years we would have been forced to come to you—the people of Pennsylvania—for increased rates a year or two ago.

We have now reached the point

where further economies will impair the service itself—a thing which you would not sanction, and which we could not allow.

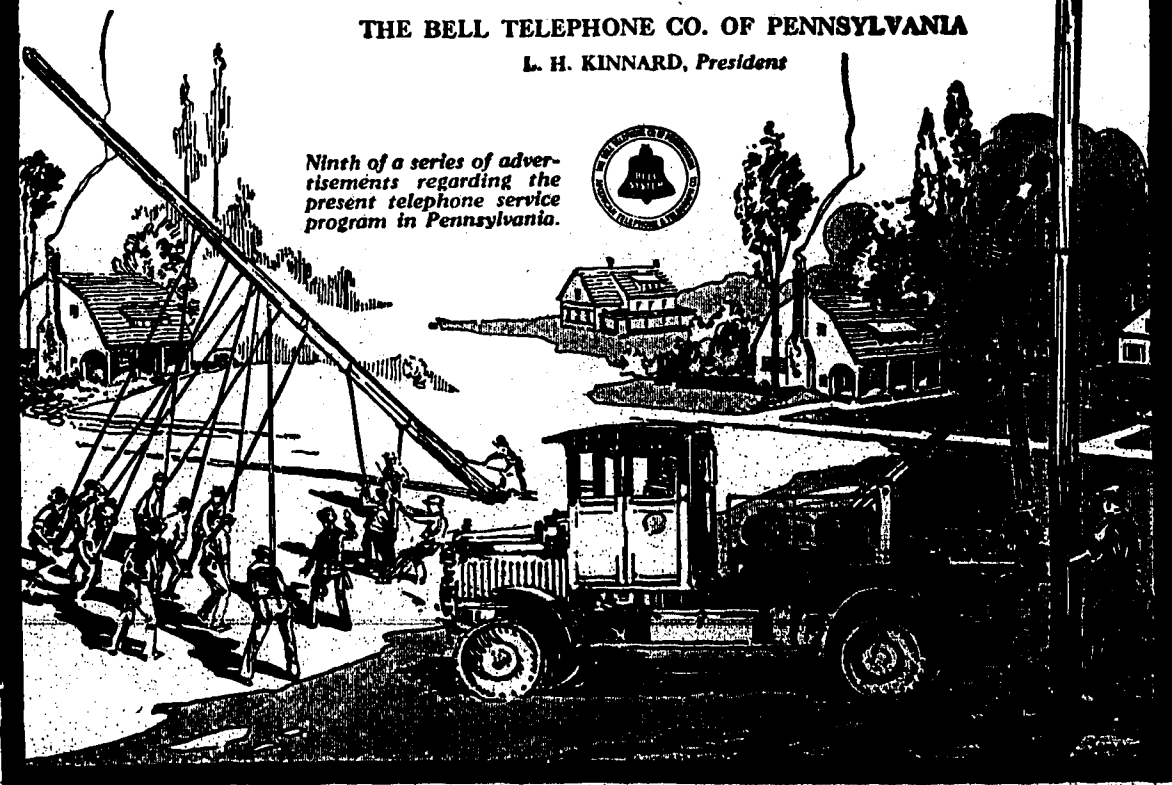

When we reach this point—where every possible economy has been introduced in our business, and in spite of this our revenues are inadequate to meet the needs of a sound business, there is only one thing left for us—we must come to you and state the facts.

For you have the same interest in the service that we have.

A strong, well-conducted, efficient telephone system is an asset to the community. We ask only for rates which will enable this company to continue as an asset to the business and social welfare of the State.

LOWER MERION HIGH SCHOOL

Track Team Beats Girard

The Lower Merion High track team opened its 1924 season in auspicious fashion Monday afternoon when it defeated the track team of Girard College, 59 points to 40 at a meet at Girard College in the City.

The meet was closely contested throughout, and it was only in the last few events that Lower Merion made victory certain. The win was all the more pleasant to the Maroon and White cinder path aggregation in view of the fact that victory was clinched in events in which Lower Merion was considered weak.

Following were the summaries:

100-yard dash—First, Folwell Scull, Lower Merion; second, Moore, Girard; third, Cooper, Lower Merion.

220 yard—First, Folwell Scull, second, Walter Cooper, and third, Moore, Girard.

1 mile run—Blamphin and Kohlbas, Lower Merion, tied for first place.

Discuss throw—Kline, Lower Merion, first. Second and third places went to Girard.

220 hurdles—Purring, Lower Merion, first; Derham, Lower Merion, second.

Shot put—Morris, Lower Merion; Folwell Scull, Lower Merion, second.

Half mile—Moore, Girard, first; Lockwood, Lower Merion, second.

High jump—all three places went to Girard.

Broad jump—all three places went to Girard.

Pole vault—all three places went to Lower Merion. Derham was first.

Purring second, and Johns third.

There was a meet with Wilmington High scheduled for Thursday of this week, but the affair was postponed to April 30 to fill in a date made vacant by the cancellation of a meet with Haverford School slated for that date.

Following is the Lower Merion track schedule as given out by Manager Spencer Owens this week:

Wednesday, April 30—Wilmington High.

Saturday, May 3—Swarthmore Inter-scholastics.

Saturday, May 10—Glenn Mills, (away).

A ROSE O' PLYMOUTH TOWN

The leading character in the Women's Club play, "A Rose O' Plymouth Town," is Rose de la Noye a petite French girl of seventeen, who is considered by the Pilgrims too young to be housewife in a separate house. So she and her brother, Philippi, are making their home together with Miriam Chillingley and Aunt Resolute, in the cabin off one Captain Miles Standish, and his second wife, Barbarn.

This part of Rose, the heroine, is to be played by Eunice Vinning Frye. Mrs. Frye is a graduate of Emerson School of Oratory in Boston. While studying there Mrs. Frye led her speakers to victory over a team of picked Harvard orators, and since her graduation, she has had wide experience in coaching high school and college dramatics in and about Cambridge, Mass.

"A Rose O' Plymouth Town" is to be given in Elm Hall at 8.30, daylight saving time, on May 7th. Tickets at 55 cents each may be obtained from Mrs. Cockrill, 315 Hampden Ave. Phone 379 R.

NINETY YEAR OLD VETERAN

Now a Resident of Narberth

Mr. Thomas G. Hall was born in England on June 4th, 1833. He resides at 306 Essex Avenue with his daughter, Mrs. Carl Greyer. Mr. Hall is in good health and active, and bids fair to live not only until next June 4th, when he will be ninety-one years of age, but for many years more.

Almost every day Mr. Hall walks down to the stores on Haverford Avenue and occasionally goes into the city. In 1851, at the age of seventeen, he arrived in America, coming over on a sailing vessel, landing at Castle Garden after eight weeks on the sea. Being a carpenter and joiner, he obtained work at Stamford, Conn., where he settled for several years. He was married at Stamford, and though there were three young children in the family, two girls and one boy, when the war broke out in 1861, he enlisted at once and served throughout the entire four years.

The "boy," now past seventy, is living in Jersey City; the other daughter also resides in that city.

Mr. Hall relates many interesting, though extremely dangerous experiences during his military career. The first battle he was engaged in at James Island the Union forces were repulsed with a loss of seven hundred killed. Mr. Hall is, of course, a member of the G. A. R. and always turns out on the Fourth of July and Memorial Day.

We are proud to have Mr. Hall reside in our community, as we are proud of the other veterans who reside here, and heartily wish for them all many more years of health and happiness.

THE POWER OF MUSIC

"I never realized the power of music until I went to Italy last fall," says Lillian Gish, star of "The White Sister" which was made entirely over the water. "One day Henry King, director of 'The White Sister,' needed five hundred extras to play in the prayer scene where the refugees from the volcanic explosion offer up their thanks for their deliverance.

"He hired about a hundred experienced extras, but wasn't able to get enough actors to fill out the mob, and as the scene was to be taken in Tivoli, a town quite a distance from Rome, his problem looked pretty difficult.

"A crowd of four hundred, none of whom had had any movie experience, was rounded up. Mr. King started to march them through the town, but its winding streets were wonderful places to get lost in, and about twenty-five stragglers were gone before the mob had marched half a mile.

"While one of the Italian assistants of the company was hunting up the missing, an Italian band happened by.

"Just the thing!" Mr. King exclaimed. "Let's hire them."

"After a negotiation with the bandmaster, a bargain was struck, and the band marched at the head of the mob through the streets of Tivoli. And not a single extra was missing that day. They marched bravely up the hill, and to Italian operatic melodies sat patiently waiting for the cameras to grind."

"The White Sister" is to open an engagement on Monday, April 21st, at the Ardmore Theatre, and will be presented three daily, closing Wednesday night.

TO HOLD TEA

Mrs. Thornton W. Grugan, of 231 Hampden Avenue, Narberth, will have a display of children's clothing on April 25, from 3 to 6, at her residence, to which she invites all mothers and are interested in such articles. Tea will be served.

To Repeat Fair

The fair that was held at Miss Gertrude Ely's residence, Bryn Mawr, last October, and which was so successful from every point of view, is to be repeated next autumn by the Lower Merion Township League of Women Voters. Such was the decision of the Board at its monthly meeting held last week at headquarters in the Merion Title Building at Ardmore.

Mrs. Aubrey Sutton has been appointed the chairman of this fair and she is getting her committees together so that plans may be under way before the summer vacations. Each District in the Township is to be represented, and already wheels are being set in motion to provide for the sale of handsome luncheon sets embroidered in China, unusual handhooked rugs from Canada, attractively decorated baskets, and many other articles out of the ordinary ordered especially for this bazaar.

Actual retail deliveries the past 60 days totaled 308,170 Ford Cars and Trucks, an increase of 1,961 a day over a year ago.

Over 200,000 people have already ordered Ford products on our purchase plan, the majority of whom will take delivery in the Spring.

The above facts are given with the suggestion that you list your order promptly with a Ford dealer if you contemplate the purchase of a Ford Car or Truck for use this Spring or Summer and wish to avoid delay in delivery.

Right on top of the hill! Probably the highest section in Narberth. Several long time residents of "Our Town" have recently purchased homes and building sites in this development. Surely their judgment on Narberth property is a valuable criterion on the desirability of Wynne Farm.

But, only a few more may be fortunate in securing building sites in this beautiful development. Why not consider Wynne Farm to-day. Full information on request.

DINNER COOKS—WHILE YOU REST!

Years ago it was necessary for the housewife to stand over a hot coal stove in a close stuffy kitchen to prepare the family dinner. Then came the gas range which relieves the drudgery and unbearable heat of the over-heated kitchen. Now the dinner can be cooked while wife or mother is shopping, entertaining or resting.

The Oven
Heat Control
Gas Range

Automatically regulates the heat of the oven. Just place the entire meal in the oven and adjust the regulator, go shopping or to your club or to the movies—when you return the dinner is completely and perfectly cooked, with no watching or attention on your part.

SEEING IS BELIEVING

Stop in our office and let us explain the advantages of this wonderful labor saver—show the great advantages of the modern gas ranges and water heaters.

OUR TOWN

TO GARDENERS AND OTHERS

And the books you should read this spring, you know, The Library bought last year, too, had "Suburban Guide," P. T. Barnes, "The Garden Guide," J. H. Dick, "Joyous Art of Gardening," Francis Duncan, "The Little Garden," Mrs. Frances King, "Four Seasons in a Garden," Ellen Rexford, "Seasons in a Flower Garden," Louise Shelton, "Amateur Gardener's Handbook," "Pennsylvania Trees" (new edition), J. S. Illick, "Wild Flowers of New York," Homer House, "Gay's Manual," "Field Book of American Wild Flowers," F. S. Matthews, "Birds of New York," Eaton, "Wild Bird Guests," E. H. Baynes, "Bird Life," F. H. Chapman.

What Is a Library?

The Narberth Community Library aims to give its community full library service, regardless of physical and financial limitations, being restricted only in the quantity of volumes and materials available. It has been working toward the "full library service" goal for three years; much has been accomplished, but more remains to be done.

A library is not merely a place where entertaining fiction is distributed with easy facility to those who wish to read—although that is always an outstanding and important feature of the work. (Without the fiction readers "at 10 cents a week," there would be no library in Narberth today.) A library is almost literally the place where the community is supplied with all kinds of information not available elsewhere. There is almost no subject of everyday living concerning which a "full service library" does not provide reliable information.

The word "free" has an unusual significance in connection with modern libraries. It means not only that no charge is made for books and service (as in the Narberth Library's free collection), but also that the library patron has complete freedom of choice and action, in accordance with his own personal taste and judgment. In nearly every other form of public service, such as schools, colleges, hospitals, museums, etc., quite definite rules are laid down in advance and public choice is made to conform. Excepting the exclusion of books which are of questionable character, the modern "full service library" gives everyone, even the children, complete freedom of selection and rejection.

The reference department of the local Library has already developed to a state of great use by school children, college students and adults. Many have expressed first their surprise and later their satisfaction at being able to find conveniently here at home that specialized information to get which it has previously been necessary to go into Philadelphia.

Community Club

(Continued from Page 1)

She said that owing to the hysteria, rumors, recriminations and gossip, Congress, in its four months' session, had neglected much of its legislative duties. It had, however, attended to the Muscle Shoals' question, and passed the Mellon and the Johnson Immigration Bills. Thirty-six resolutions of legislation put before Congress by the President have not been considered. The bitterness of tax payers toward Congress is due to lack of its interest in anything but the oil scandal. So much grafting has been brought to light, and so many notable men have been attacked, that the whole political situation has changed. Mrs. Bean averred that the West and the East decidedly do not see "eye to eye," and that out of all the criticism, and political mud-slinging, is growing a body of liberals who do not respect old parties and who believe that reforms must be brought about by a new party. In fact, the subject of a third party takes second interest only to the Presidential election.

The speaker seemed to feel that there is little doubt that Coolidge will be nominated in June, but that his election is not a surety. She closed her talk by saying that it is hoped that the exposure of all the scandal will have the effect of a clearing storm. That the country at large feels that the nation has been cheapened and cheated, and is determined that scandal must be crushed, and the offenders punished, without regard to their social or political standing.

Mrs. Fowler very ably presented the topic of nominations and elections on

the coming Tuesday. She named the various men and women running for offices, and gave some light on each candidate. Mrs. Fowler particularly urged the women to come out and vote, and to try to have a two-thirds instead of a one-third vote in Narberth. It was a notable fact that nearly every woman in the room professed to being a regular voter.

Mrs. Darville had charge of refreshments, and her committee's cakes were rivaled only by the delicious ones arranged on a table for sale for the Welfare Fund. Mrs. Dunne and Mrs. Gill are the guardians of that worthy fund.

The meeting closed with two sweet songs by Miss Florentine Mueller, assisted at the piano by Miss Marie Miesch.

DEGAN RECITAL AND CANTATA

Special music will feature both the morning and evening services at the Presbyterian Church this Sunday. In the morning the regular Church quartet will sing, "I am the Resurrection and the Life," (Stalps), "Victory," (Shelley), and "Thanks be to God," (Ambrose).

A short organ recital will be given at 7:30 P. M. preceding the regular evening service, when Mr. Stam will play, "Berceuse," (Godard), "In Playful Mood," (Wilson), "Largo," from "New World" Symphony, (Dvorak), and "The Heavens are Telling," from "The Creation" (Haydn). The Church quartet will sing, "Sing to the Lord a Glorious Song," (Wiklermere) and this will be followed by the beautiful cantata, "Death and Life," by Harry Rowe Shelly. The pastor will deliver a brief address appropriate to the cantata.

A fair is being planned by the Church School Service League of All Saints Church, to be given at the Parish House.
